I found that her sickness was not epilesy, but nervous troubles, due to menstrual derangements, and prescribed four of Dr. Chase's Nerve Pills a day, after meals and at bed-time. Since that time she has not had a single bad spell. Her health has rapidly improved, she has gained about 15 pounds in weight, and I do not hesitate to state that Dr. A. W. Chase's Nerve Pills have saved her life and restored her to health."

Mrs. Fawcett of Marietta St., St. Clairsville, O., says: "I have used Dr. A. W. Chase's Nerve Pills and can recommend them to others as a good sound reliable nerve and general tonic. Should Go to Maxinkuckee.

Plymouth is just now in the throes of an animated newspaper war. It is a three-cornered fight, all the papers there having taken a hand. Newspaper wars are always to be deprecated, though at times seemingly unavoidable. They are especially objectionable during extremely hot weather, such as we are passing through at this time of the year, when the reading public ought to be given only such matter as is conducive to their peace and placidity of mind, A good way to curb the combativeness of newspaper writers is for them to go to Maxinkuckee, or some other equally delightful resort .- South Bend Times.
